

# FREE BEER

FREE BEER (version 1.0) is an open source beer. FREE BEER is based on classic ale brewing traditions but with added guarant for a natural energy-boost.

The recipe and the whole brand of FREE BEER is published under a Creative Commons license (Attribution-ShareAlike 2.0) meaning that anyone can use the recipe to brew the beer or to create a derivative of our recipe. You are free to earn money from FREE BEER, but you have to

publish the recipe under the same license (e.g. on your website) and credit our work. You can use all our design and branding elements, and are free to change them at will provided you publish your changes under the same license. Free Beer is based on Vores Øl (version 1.0)

Recipe, logos and info of FREE BEER are available at: <http://www.superflex.net/projects/freebeer>
